

KCCF Funding Cycle 2026

How We Fund

KCCF Solicits in Four Different Ways:

- **By Invitation Only (BIO)**- For targeted funding opportunities, including “out of cycle” time sensitive requests

Call for Grant Proposals- Open to eligible entities through the Foundant system for various grant types.

- **Expedited Grants**- Allowing the CEO to approve requests up to \$7,500 with board ratification.
- **Natural Disaster & Public Health Emergency Grants**- Designated for crises declared by state or federal authorities or determined by the Board.

What We Fund

KCCF Provides Four Primary Types of Grants:

- **Capital Grant** – Supports building acquisition, renovation, and construction.
- **Collaborative Grant** – Requires 1 lead applicant + 2 or more partners, with a shared scope of work and budget.
- **Planning Grant** – Up to \$20,000 for early-stage development; requires at least 2 key stakeholders.
- **Standard Grant** – Covers all costs associated with a project.

KCCF evaluates all grant applications through the framework of the Social Determinants of Health. Each request must align with and address at least one of the five determinants outlined below.

Social Determinants of Health

Financial Requirements

- **Financial audits** are required for organizations with an annual operating budget of **\$750,000 or more** (may be considered on a case-by-case basis).
- **Financial reviews** may be accepted on a case-by-case basis.
- **Internal financial statements** must be submitted for the most recent year-end.
- A **recent Form 990** is required (KCCF staff utilizes Candid).

Grant Conditions

- **Grants Awarded for a Maximum of 12 Months**
- **Grant Requests Up to \$100,000**
- **Fringe benefits** are capped at 27%.
- A **15% indirect/overhead rate** is applied to total direct costs (excluding capital expenditures).
- If leverage funds are included in the proposal, **verification** is required.
- **On-site project reviews** will be conducted and include a **review of project expenses**.

When We Fund
